

## We are Hadjo Media, the production pain-point annihilators.

Hadjo is an integrated creative team of moving picture experts. From turnkey production to a specific video, pre- or post-production service, we want to deliver for you.

Our demo reel

Deloitte Smart Factory

Calix Blast

Some of the brands we serve:

**Experience and expertise are our calling cards.**

- We are the producers. We own the gear. We are the crew, the writers, designers, editors, composers.
- We have an extensive black book of vetted, trusted resources across the US and around the world.
- We believe in backup plans. We always have one.
- We worry over every detail so you don't have to.
- We've alleviated more headaches than Ibuprofen.
- You'll be wondering where we've been all your life.

May we schedule a 5-minute call to talk shop?
